Additionally, if there is an Emergency Security Issue, then ForgeRock may automatically suspend Customer's use of the ForgeRock Identity Cloud. Such suspension will be to the minimum extent required, and of the minimum duration, to prevent or resolve the Emergency Security Issue. 11.2 Exceptions to Obligation. Notwithstanding this Section 11, either party may disclose Confidential Information to the extent required by law, provided the other party uses commercially reasonable efforts to give the party owning the Confidential Information sufficient notice of such required disclosure to allow the party owning the Confidential Information reasonable opportunity to object to and to take legal action to prevent such disclosure.

As ForgeRock's entire liability and Customer's exclusive remedy for breach of the warranty set forth in Section 12.1(a), ForgeRock shall, at no charge: (a) use commercially reasonable efforts to make a correction available to the ForgeRock Identity Cloud, and (b) if ForgeRock is unable to make such corrections after making all commercially reasonable efforts, terminate access to the ForgeRock Identity Cloud and refund the unused portion of any pre-paid Fees received by ForgeRock.

12.4 Remedy for Services Warranty. As ForgeRock's entire liability and Customer's exclusive remedy for breach of the warranty set forth in Section 12.1(b), if Customer notifies ForgeRock in writing within ten (10) days of completion of the applicable Services, ForgeRock shall re-perform such services at no additional cost to Customer.

Customer will pay damages finally awarded against ForgeRock (or the amount of any settlement Customer enters into) with respect to such claims. The foregoing shall apply regardless of whether such damage is caused by the conduct of Customer or by the conduct of a third-party using Customer’s access credentials. This obligation of Customer shall not apply if ForgeRock fails to timely notify Customer in writing of any such claim, however ForgeRock’s failure to provide or delay in providing such notice shall not relieve Customer of its obligations under this Section except to the extent Customer is prejudiced by ForgeRock’s failure to provide or delay in providing such notice. Customer is permitted to fully control the defense and any settlement of any such claim as long as such settlement does not include a financial obligation on or admission of liability on behalf of ForgeRock or otherwise obligates ForgeRock to specific performance or diminishes ForgeRock’s Intellectual Property Rights. In the event ForgeRock declines Customer’s proffered defense, or otherwise fails to cede full control of the defense to Customer’s designated counsel, then ForgeRock waives Customer’s obligations under this Section 13.3. ForgeRock shall reasonably cooperate in the defense of such claim and may appear, at its own expense, through counsel reasonably acceptable to Customer.

14. Data Processing Addendum. To the extent that ForgeRock processes any Customer PII on Customer’s behalf in the provision of the ForgeRock Identity Cloud, the applicable data processing addendum at <https://www.forgerock.com/privacydocumentation> (“DPA”), which is hereby incorporated by reference, shall apply and the parties agree to comply with such terms.

15. LIMITATION OF LIABILITY.

15.1 Limitation on All Damages. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL EITHER PARTY’S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED IN THE AGGREGATE 100% OF THE FEES PAID OR PAYABLE UNDER THE RELEVANT ORDER FORM GIVING RISE TO SUCH LIABILITY FOR THE TWELVE (12) MONTHS PRECEDING ANY CLAIM. THE FOREGOING SHALL NOT LIMIT CUSTOMER’S PAYMENT OBLIGATIONS FOR ACCESS TO THE FORGEROCK IDENTITY CLOUD AND IDENTITIES.

15.2 Disclaimer of Consequential Damages. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR THE COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, ANY LOST PROFITS, REVENUE, OR DATA,

INTERRUPTION OF BUSINESS OR FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR INDIRECT DAMAGES OF ANY KIND, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE OR IF SUCH DAMAGE COULD HAVE BEEN REASONABLY FORESEEN.

16. General.

16.1 Right and Authority. In the event that the Customer is not an individual, the undersigned individual represents and warrants to ForgeRock that he or she has the requisite right and is duly authorized to execute this Agreement on behalf of the Customer.

16.2 Publicity. Either party may include the other's name and logo in customer or vendor lists on such party's website and marketing collateral. Customer also agrees to: (a) serve as a reference or host onsite reference visits; (b) collaborate on press releases announcing or promoting the relationship; and (c) collaborate on case studies or other marketing collateral.

16.3 Compliance with Law. Customer agrees to comply with all relevant anti-bribery and anti-corruption laws in effect in the U.S. and its local regulations, if any. As such, Customer acknowledges and agrees to comply with the United State Foreign Corrupt Practices Act in all business related to this Agreement. Customer agrees to comply fully with all laws and regulations of the United States and other countries ("Export Laws") to assure that Customer does not use or permit the use of the ForgeRock Identity Cloud in violation of any U.S. denied party-list, embargoed country restriction, export law or regulation.

16.4 U.S. Government Restricted Rights. If Customer is a federal government entity or if this Agreement otherwise becomes subject to the Federal Acquisition Regulations (FAR), Customer acknowledges that elements of the ForgeRock Identity Cloud constitute software and documentation and are "Commercial Items" as defined under 48 C.F.R. 2.101, and are licensed as commercial computer software subject to the restricted rights described in 48 C.F.R. 2.101 and 12.212. If greater rights are needed, a mutually acceptable written addendum specifically conveying such rights must be included in this Agreement.

16.5 Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of California without reference to its conflicts of law provisions. Both parties hereby irrevocably consent to the personal and exclusive jurisdiction of the state and federal courts of competent jurisdiction located in San Francisco, California. The substantially prevailing party shall be entitled to recover its reasonable attorney's fees, and costs and expenses incurred.

16.6 Assignment. Customer may not assign any of its rights or obligations under this Agreement without the prior written consent of ForgeRock. Any assignment not in conformity with this Section 16.6 shall be null and void.

16.7 Insurance. Throughout the term of this Agreement, ForgeRock shall, at its own cost, maintain reasonable insurance coverage. ForgeRock shall provide evidence of such insurance to Customer upon written request.

16.8 Notices. Any notices required under this Agreement shall be given in writing, shall reference this Agreement, and shall be deemed to have been delivered and given: (a) when delivered personally; (b) three (3) business days after having been sent by registered or certified U.S. mail, return receipt requested; or (c) one (1) business day after deposit with a commercial overnight courier, with written verification of receipt. All communications shall be sent to the addresses set forth in the preamble of this Agreement or to such other address as may be designated by a party by giving written notice to the other party. Notices shall be addressed to the Legal Department.

16.9 Force Majeure. Except for any payments due hereunder, neither party shall be responsible for delay or failure in performance caused by any government act, law, regulation, order, or decree, by Internet or communication line or power failures beyond its reasonable control, or by fire, flood, or other natural disasters or by other causes beyond its reasonable control, nor shall any such delay or failure be considered a breach of this Agreement.

16.10 General. No modification, termination, extension, renewal or waiver of any provision of this Agreement shall be binding upon a party unless made in writing and signed by both parties. No modification of this Agreement or of any term or condition hereof shall result due to either party's acknowledgment or acceptance of the party's forms (e.g., purchase orders, acknowledgment forms, etc.) containing different or additional terms and conditions unless expressly and specifically accepted by both parties by means of a writing which references this Section 16.10. A waiver on one occasion shall not be construed as a waiver of any right on any future occasion. No delay or omission by a party in exercising any of its rights hereunder shall operate as a waiver of such rights. In performing their respective duties under this Agreement ForgeRock and Customer will be operating as independent contractors and neither party is the legal representative, agent, joint venture, or employee of the other party for any purpose whatsoever. The headings of the Sections of this Agreement are for convenience only and shall not be of any effect in construing the meaning of the Sections. In the event that it is determined by a court of competent jurisdiction that any provision of this Agreement is invalid, illegal, or otherwise unenforceable, such provision shall be enforced as nearly as possible in accordance with the stated intention of the parties, while the remainder of this Agreement shall remain in full force and effect and bind the parties according to its terms. To the extent any provision cannot be enforced in accordance with the stated intentions of the parties, such terms and conditions shall be deemed not to be a part of this Agreement. This Agreement constitutes the entire and exclusive agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements between the parties with respect to such subject matter.
